FLOOR AMENDMENT NO. _____**BY: Biedermann**

Amend **CSHB 1** (house committee printing) as follows:

- (1) In the bill pattern for the Texas Commission on Environmental Quality, amend Rider 7, Air Quality Planning, (page VI-19) as follows:

Air Quality Planning. Amounts appropriated above include ~~\$6,000,000~~\$3,000,000 for the biennium out of the Clean Air Account No. 151 in Strategy A.1.1, Air Quality Assessment and Planning, for air quality planning activities to reduce ozone in areas not designated as nonattainment areas during the 2018-19 biennium and as approved by the Texas Commission on Environmental Quality (TCEQ). These activities may be carried out through interlocal agreements.

Expenditure of these funds are limited to: inventorying emissions, monitoring of pollution levels, and administration of the program. The TCEQ shall allocate ~~\$350,000~~\$333,332 to each area and the remaining funds proportionally to each area with a population in excess of 350,000. Grants issued from appropriations identified in this rider should require that no more than 10 percent of the allocation be used for administrative purposes and prohibit the expenditure of the following: marketing and outreach activities, bicycle use programs, carpooling awareness, environmental awareness campaigns, and locally enforceable pollution reduction programs. The grant recipients shall channel the funds to those projects most useful for the State Implementation Plan (SIP).

For informational purposes, these areas may include, but are not limited to, Waco, El Paso, Beaumont, Austin, Corpus Christi, Granbury, Killeen-Temple, Longview-Tyler-Marshall, and Victoria.

- (2) In the bill pattern for the Texas Commission on Environmental Quality add the following new rider (VI-24):

Aggregate Mining Air Quality Assessment and Mitigation. Amounts appropriated above include \$3,000,000 in fiscal year 2020 for the biennium out of General Revenue-Dedicated Clean Air Account No. 151 in Strategy A.1.1, Air Quality Assessment and Planning, for the assessment of air quality in or near aggregate mining operations and for the mitigation of any air pollution in or near aggregate mining operations.

Rep. Cesar J. Blanco

Amend CSHB1 (house committee printing) in Article I of the bill, following the appropriations to Trusteed Programs Within The Office Of The Governor, by amending rider 21 on page I-56 to read as follows:

21. Grants for Local Border Security. Included in the General Revenue Funds appropriated above in Strategy B.1.3, Homeland Security, is \$10,000,000 in fiscal year 2020 and \$10,000,000 in fiscal year 2021 to fund grants to local units of government to support Operation Border Star. In addition to supporting Operation Border Star, the grant funds may also be awarded to local units of government and non-profits for the reimbursement of expenses incurred for the humanitarian assistance of unaccompanied minors and families, including expenses incurred for public safety, medical care, shelter, transportation, and nourishment. Grant funds may also be awarded for the humane processing of the remains of undocumented migrants. The Department of Public Safety and the Legislative Budget Board shall collaborate with the Office of the Governor to establish accountability and outcome standards for these grants. These accountability standards shall include, but not be limited to, the following: uses of the grants by local entities; effects of these grants on realizing a more secure border region, as defined in Article IX, Section 7.11, Border Security, of this Act; and measures employed to ensure grant funds are expended as intended. By not later than December 1 of each fiscal year, the Office of the Governor shall provide a report to the Legislative Budget Board summarizing the outcomes of the previous fiscal year's grants.

Rep. Cesar J. Blanco

Amend CSHB1 (house committee printing) in Article I of the bill, following the appropriations to Trusteed Programs Within The Office Of The Governor, by amending rider 21 on page I-56 to read as follows:

21. Grants for Local Border Security. Included in the General Revenue Funds appropriated above in Strategy B.1.3, Homeland Security, is \$6,100,000 in fiscal year 2020 and \$6,100,000 in fiscal year 2021 to fund grants to local units of government to support Operation Border Star. In addition to supporting Operation Border Star, at the discretion of the Governor, the grant funds may also be awarded to local units of government and non-profits for the reimbursement of expenses incurred for the humanitarian assistance of unaccompanied minors and families, including expenses incurred for public safety, medical care, shelter, transportation, and nourishment. Grant funds may also be awarded for the humane processing of the remains of undocumented migrants. The Department of Public Safety and the Legislative Budget Board shall collaborate with the Office of the Governor to establish accountability and outcome standards for these grants. These accountability standards shall include, but not be limited to, the following: uses of the grants by local entities; effects of these grants on realizing a more secure border region, as defined in Article IX, Section 7.11, Border Security, of this Act; and measures employed to ensure grant funds are expended as intended. By not later than December 1 of each fiscal year, the Office of the Governor shall provide a report to the Legislative Budget Board summarizing the outcomes of the previous fiscal year's grants.

1 Amend C.S.H.B. No. 1 (house committee printing) in Article I
2 of the bill, following the appropriations to the Trusteed Programs
3 within the Office of the Governor (page I-52), by adding the
4 following appropriately numbered rider:

5 _____. Grants for Local Census Outreach. Notwithstanding any
6 other provision of this Act, including Rider 11 following the
7 appropriations to the Trusteed Programs within the Office of the
8 Governor, out of unexpended and unobligated balances, estimated
9 unexpended and unobligated balances, interest earnings, and other
10 revenues from funds appropriated to the Trusteed Programs within
11 the Office of the Governor by this Act for the state fiscal year
12 ending August 31, 2019, that are available for use for the purpose,
13 the Office of the Governor shall allocate an amount, not to exceed
14 \$50,000,000, to provide grants to local units of government for
15 their outreach efforts to encourage full participation in the 2020
16 federal decennial census of population required by 13 U.S.C.
17 Section 141. It is the intent of the legislature that grant awards
18 should prioritize a local government that has established census
19 outreach efforts and has census tracts with traditionally
20 hard-to-count populations within its boundaries.

47. Women's Health Programs: Savings and Performance Reporting.

The Health and Human Services Commission shall submit an annual report on the Healthy Texas Women (HTW), Family Planning Program (FPP), and Breast and Cervical Cancer Services Program (BCCS), and Alternatives to Abortion program (A2A) due May 1 of each year, to the Legislative Budget Board and the Governor's Office that includes the following information:

- a. Enrollment levels of targeted low-income women and service utilization by geographic region, including total number of unduplicated patients served, delivery system, and age from the prior two fiscal years;
- b. Savings or expenditures in the Medicaid program that are attributable to enrollment levels as reported in section (a);
- c. Descriptions of all outreach activities undertaken for the reporting period;
- d. The total number of providers, by geographic region, enrolled in the HTW, and FPP, and A2A networks, and providers from legacy Women's Health Programs (including Texas Women's Health Program) not to include duplications of providers or ancillary providers;
- e. The average and median numbers of aggregate program clients per certified or contracted provider, and total number of unduplicated patients served, detailed by each certified or contracted provider;
- f. The count of women in the Healthy Texas Women Program and the Family Planning Program receiving a longacting reversible contraceptive;
- g. The service utilization by procedure code for HTW, FPP, and BCCS. The annual report submitted as required above must satisfy federal reporting requirements that mandate the most specific, accurate, and complete coding and reporting for the highest level of specificity; and
- h. Total expenditures, by method of finance and program-
- i. The count of women referred to other assistance programs, including Medicaid, Medicare, Children's Health Insurance Program (CHIP), Supplemental Nutrition Assistance Program (SNAP), HTW, FPP, and BCCS, by A2A providers; and

- j. The count of women referred to other assistance programs by A2A providers who successfully enrolled in services, by program.

It is the intent of the Legislature that if the findings of the report show a reduction in women enrolled or of service utilization of greater than 10 percent relative to the prior two fiscal years, the agency shall, within existing resources, undertake corrective measures to expand provider capacity and/or client outreach and enrollment efforts.

BY: Donna Howard

HOUSE OF REPRESENTATIVES

On page III-8 of the Texas Education Agency's bill pattern, amend Rider 8, Instructional Materials and Technology, as follows:

8. Instructional Materials and Technology. Except as explicitly allowed elsewhere in this Act, any amount expended pursuant to Texas Education Code, §31.021, including expenditures for instructional materials administration, shall be paid out of the Technology and Instructional Materials Fund appropriated for that purpose. A transfer of funds from the Available School Fund to the Technology and Instructional Materials Fund is authorized in an amount which, together with other revenues of the Technology and Instructional Materials Fund, is sufficient to finance the sum-certain appropriation from the Technology and Instructional Materials Fund for each fiscal year. Penalties assessed by the State Board of Education shall be deposited to the credit of the Technology and Instructional Materials Fund.

In accordance with Texas Education Code §31.0211 and §31.0214, the Commissioner shall allocate the funds available in the Technology and Instructional Materials Fund to school districts and charter schools for each student enrolled in the district or charter school on a date during the preceding year specified by the Commissioner and shall adjust the technology and instructional materials allotment of school districts and charter schools experiencing high enrollment growth according to rules adopted by the Commissioner. It is the intent of the Legislature that, based on the results of an analysis conducted under Section 31.082, Education Code as it pertains to the quality of instructional materials submitted by publishers, the Commissioner may neither limit a school district's instructional materials and technology purchases nor may the Commissioner prescribe required materials that a school district must adopt.

It is the intent of the Legislature that for any state fiscal biennium, the State Board of Education issue proclamations for instructional materials in which the total projected cost of instructional materials under the proclamations does not exceed 75 percent of the total technology and instructional materials allotment under Section 31.0211, Education Code, for the most recent biennium for which the allotment has been determined.

It is the intent of the Legislature that the State Board of Education consider the cost of all instructional materials and technology requirements when determining the disbursement of money to the available school fund and the amount of that disbursement that will be used, in accordance with Section 43.001(d), Education Code, to fund the technology and instructional materials allotment under Section 31.0211, Education Code.

From funds appropriated from the Technology and Instructional Materials Fund, the Commissioner may set aside an amount not to exceed \$2,500,000 for the 2020-21 biennium for the continued support and delivery of online college readiness materials in English language arts and reading, mathematics, science, and social studies.

From funds appropriated above in Strategy B.2.1, Technology and Instructional Materials, \$1,101,430,204 from the Technology and Instructional Materials Fund is allocated in the 2020-21 biennium for instructional materials and technology.

From funds appropriated above in Strategy A.2.3, Students with Disabilities, an amount not to exceed \$13,500,000 in federal funds in the 2020-21 biennium is allocated for the purchase of Braille, large-type, and related materials for students with special needs.

The Commissioner shall provide juvenile justice alternative education programs with instructional materials necessary to support classroom instruction in those programs. The cost of the instructional materials shall be funded with Technology and Instructional Materials Funds appropriated to the agency for the 2020-21 biennium.

Revenue from fees collected under the authority of Texas Education Code §31.0221 pertaining to the midcycle review and adoption of textbooks are hereby appropriated to the Texas Education Agency for the purpose of administering the midcycle review and adoption process.

The Texas Education Agency is hereby appropriated any balances held in the Technology and Instructional Materials Fund on August 31, 2019 for use in fiscal year 2020 for the same purposes.

Any unexpended balances as of August 31, 2020 are hereby appropriated for fiscal year 2021 for the same purposes.

Amend C.S.H.B. 1, as follows: HOUSE OF REPRESENTATIVES

- (1) On page III-57 of the Higher Education Coordinating Board's bill pattern, amend the following rider:

Professional Nursing Shortage Reduction Program. Appropriations for the Professional Nursing Shortage Reduction program total \$9,940,024 in fiscal year 2020 and \$9,940,024 in fiscal year 2021. Those funds shall be allocated as follows:

The Texas Higher Education Coordinating Board (THECB) shall allocate the funds appropriated in their bill pattern in Strategy F.1.6, as follows:

- a. Up to 5 percent each year may be used for administrative expenses.
- b. \$3,288,999 in fiscal year 2020 and \$3,288,999 in fiscal year 2021 shall be distributed in an equitable manner to institutions with nursing programs, including institutions graduating their first nursing class, based on increases in numbers of nursing student graduating. The THECB shall apply a weight of 1.5 for increased graduates in nursing educator programs identified with a Classification of Instructional Program code of 51.3808 and 51.3817. The THECB shall allocate up to 50 percent in each fiscal year of the biennium and any unexpended amounts to community colleges.
- c. \$4,530,025 in fiscal year 2020 and \$4,530,025 in fiscal year 2021 shall be distributed at a rate of \$10,000 per year for each additional nursing student enrolled in a professional nursing program to institutions with professional nursing programs based on the following criteria: (1) a graduation rate of 70 percent or above as reflected in the final 2018 graduation rates reported by the THECB and (2) an increase in new enrollees for fiscal year 2020-equal to 12 percent and 18 percent in fiscal year 2021 of the first-year enrollments for the 2017-18 academic year as reported by the institutions to the Texas Center for Nursing Workforce Studies. The percentage increase required in each year of the biennium shall be determined by the Higher Education Coordinating Board in consultation with eligible nursing programs. The methodology may account for reallocation of unearned funds.
- d. \$2,121,000 in fiscal year 2020 and \$2,121,000 in fiscal year 2021 to (1) professional nursing programs with nursing graduation rates below 70 percent as reflected in the final 2018 graduation rates reported by the THECB, (2) hospital-based diploma programs, or (3) new professional nursing programs whose graduation rates which have not been determined by the THECB. From funds available for that purpose, institutions shall receive \$20,000 for each additional

initial RN graduate in two year programs and \$10,000 for each additional graduate in one-year programs. If sufficient funds are not available to provide this allocation, the THECB shall distribute the funds on a pro rata basis equally among the nursing programs participating. THECB shall develop an application process for institutions willing to increase the number of nursing graduates. The application shall indicate the number of nursing graduates for initial licensure the institution will produce; indicate the number of payments and payment schedule; identify benchmarks an institution must meet to receive payment; and specify the consequences of failing to meet the benchmarks.

- e. For THECB expenditure purposes, any funds not expended in fiscal year 2020 may be expended in fiscal year 2021 for the same purposes. If an institution does not meet targets for purposes of subsections b, c, and d, the institution shall return these unearned funds to the THECB by the date specified by THECB rule. The THECB shall reallocate these funds to other qualified programs. All institutions receiving funds shall submit to the THECB a detailed accounting of funds received, obligated or expended.
- f. If the funds appropriated under Paragraphs b, c, or d exceed the funds that can be expended in accordance with the requirements of that paragraph, THECB may expend the excess funds for any purpose described in Paragraphs b, c, or d. The THECB may not include nonresident students who are enrolled in online professional nursing programs while residing outside of the state in methodologies used to calculate program awards described in Paragraphs b, c, or d.
- g. Using funds under (a), the Higher Education Coordinating Board shall study the effectiveness of the Professional Nursing Shortage Reduction Program in addressing the shortage of professional nurses in the state. This study shall be conducted in coordination with a work group convened by the THECB and composed of representatives from the state nursing association, Texas Board of Nursing, Department of State Health Services Center for Nursing Workforce Studies, nursing deans and directors from public and private institutions of higher education in the state (or individuals that serve in similar roles) and other stakeholders as appropriate. In conducting this study, the Coordinating Board shall examine the structure and efficiency of the program, as well as other state funding strategies to address the nursing shortage. The Coordinating Board shall report the results of this study as well as any recommendations to improve the state's efforts to address the nursing shortage to the Legislature by November 1, 2020. THECB may reimburse work group travel expenses pursuant to Article XI, Section 5.08.

(1) In Article VI of the bill, amend the following rider to the Texas Commission on Environmental Quality's budget pattern:

7. Air Quality Planning. Amounts appropriated above include \$6,000,500 for the biennium out of the Clean Air Account No. 151 in Strategy A.1.1, Air Quality Assessment and Planning, for air quality planning activities to reduce ozone in areas not designated as nonattainment areas during the 2018-19 biennium and as approved by the Texas Commission on Environmental Quality (TCEQ). These areas may include Waco, El Paso, Beaumont, Austin, Corpus Christi, Granbury, Killeen-Temple, Longview-Tyler-Marshall, and Victoria. These activities may be carried out through interlocal agreements and may include: identifying, inventorying, and monitoring of pollution levels; modeling pollution levels; and the identification, quantification, implementation of appropriate locally enforceable pollution reduction controls; and the submission of work plans to be submitted to the TCEQ.

Expenditures of these funds are limited to: inventorying emissions, monitoring of pollution levels, air quality data analysis, air quality planning, tracking of regional air quality plans, and administration of the program. The TCEQ shall allocate \$350,000 to each area and the remaining funds proportionally to each area with a population in excess of 350,000. Grants issued from appropriations identified in this rider should go toward local councils of government or other state political subdivision, and require that no more than 10 percent of the allocation be used for administrative purposes and prohibit the expenditure of the following: marketing and outreach activities, bicycle use programs, carpooling awareness, environmental awareness campaigns, and locally enforceable pollution reduction programs. The grant recipients shall channel the funds to those projects most useful for the State Implementation Plan (SIP).

For informational purposes, these areas may include, but are not limited to, Waco, El Paso, Beaumont, Austin, Corpus Christi, Granbury, Killeen-Temple, Longview-Tyler-Marshall, and Victoria.

Amend C.S.H.B. 1 as follows:

19 MAR 24 AM 9:07

1) On page X-6 of the State Auditor's Office bill pattern, amend
the following rider:

~~HOUSE OF REPRESENTATIVES~~**5. Audit Plan of Disposition of Sexual Assault Investigations.**

(a) The State Auditor shall develop an audit plan, subject to approval by the Legislative Audit Committee, examining the investigation and processing of reported adult sexual assaults in Texas. The audit plan shall address the processes from the time of first report through final disposition, including why reported cases do not proceed to prosecution and conviction within the criminal justice system. The audit plan shall examine a five-year period for which relevant data are available, and shall include the cities of Austin, Dallas, Houston, San Antonio and El Paso. The audit plan shall provide a broad, comprehensive review of the policies, practices, and actions of government agencies, including district attorneys' offices, with respect to state and federal law, nationally recognized best practices, and comparative procedures with respect to adult sexual assault investigation and prosecution. The audit plan shall also include an evaluation of the practices and policies for making a determination to prosecute, and a comparative analysis of budget and resources available to affected agencies and departments.

(b) In developing the audit plan, the office shall make every reasonable effort to compile and analyze information relating to the commission of offenses under Sections 22.011 and 22.021, Penal Code, including information regarding the number of cases:

(1) in which the law enforcement agency investigating the offense forwarded the case to the appropriate local county or district attorney, including cases that are prosecuted as a different criminal offense;

(2) closed or classified as inactive by the law enforcement agency without forwarding the case to the appropriate local county or district attorney, and the reasons for that closure or classification;

(3) in which the local county or district attorney did not prosecute the offense, and the reasons for not prosecuting the offense, including whether the offense was referred to a grand jury; and

(4) dismissed after an indictment had been filed.

(c) In addition to publishing the reports made as required by this rider on the State Auditor's Internet website with all other reports prepared by the State Auditor and filing a copy of the report made as required by this rider with the parties listed under Government Code, Section 321.014(c), ((1) the governor; (2) the lieutenant governor; (3) the speaker of the house of representatives; (4) the secretary of state; (5) the Legislative Reference Library; (6) each member of the governing body and the administrative head of each entity that is the subject of the report; and (7) members of the legislature on a

committee with oversight responsibility for the entity or program that is the subject of the report) the State Auditor shall file a copy of a report with the Office of the Attorney General, the Senate Finance Committee, the House Appropriations Committee, the Department of Public Safety, and any other agencies, offices, or task forces working on DNA related issues or that the State Auditor considers to be a relevant recipient of the report.

(d) Out of funds appropriated above, and as part of the audit plan, the State Auditor's Office shall contract with a qualified current, or former, Combined DNA Index System (CODIS) administrator to conduct a review of CODIS in Texas. The review shall assess case processing capacity at CODIS facilities, including staffing models and funding in relation to case demand and national best practices. The review shall also assess how Local DNA Index System (LDIS) laboratories provide CODIS notifications to agencies, if safeguards exist to ensure receipt of CODIS notifications, the policies LDIS laboratories have regarding notifications to agencies and ensuring receipt of the notifications, how agencies are trained on what CODIS notifications mean, if agencies utilize the notifications and follow up on investigations, and how labs track turnaround times for their notifications.

(e) The State Auditor's Office may coordinate with the cities listed in Subsection (a) to utilize information and/or data the city may possess from a previously completed or currently contracted comparable audit.

(f) The State Auditor's Office shall hold meetings at least once per year for all CODIS administrators in the state to improve communication, verify consistency in processes, and ensure CODIS is utilized most effectively.

~~Out of funds appropriated above, the State Auditor's Office shall contract with a qualified current, or former, Combined DNA Index System (CODIS) administrator to conduct a review of CODIS in Texas. The review shall assess how Local DNA Index System (LDIS) laboratories provide CODIS notifications to agencies, if safeguards exist to ensure receipt of CODIS notifications, the policies LDIS laboratories have regarding notifications to agencies and ensuring receipt of notifications, how agencies are trained on what CODIS notifications mean, if agencies utilize the notifications and follow up on investigations, and how labs track turnaround times for their notifications.~~

4 appropriately numbered rider and renumbering subsequent riders
5 accordingly:

6 Alternatives to Abortion Program.

7 (a) Method of Finance and Administration. Notwithstanding
8 any contrary provision of this Article, the Health and Human
9 Services Commission may not spend any appropriated funds for
10 Strategy D.1.2, Alternatives to Abortion, other than funds from the
11 General Revenue Fund. Out of the amounts appropriated above for
12 Strategy D.1.2, the commission shall allocate an amount as
13 necessary for the purposes of funding one FTE position for the
14 Health and Human Services Commission to implement and administer

Amend CSSB 1 (house committee printing) as follows:

- 1) In the bill pattern for the Texas Education Agency, amend Rider 77, Additional Foundation School Program Funds for House Bill 3, or Other Legislation Increasing the State Share, Enhancing School District Entitlement, Reducing Recapture, and Providing Tax Relief (pages III-25 - 26) as follows:

Additional Foundation School Program Funds for House Bill 3, or Other Legislation Increasing the State Share, Enhancing School District Entitlement, Reducing Recapture, and Providing Tax Relief. It is the intent of the Eighty-sixth Legislature to adopt comprehensive school finance legislation and provide local property tax relief. In addition to amounts appropriated above in Strategy A.1.1, FSP - Equalized Operations, and Strategy A.1.2, FSP - Equalized Facilities, \$4.5 billion in fiscal year 2020 and \$4.5 billion in fiscal year 2021 is appropriated out of the Foundation School Fund No. 193 to be used for the purposes specified in this rider.

The amounts appropriated in this rider are contingent on enactment of legislation supporting school districts and charter schools by increasing the state share of the Foundation School Program, enhancing district entitlement, reducing recapture, and providing local property tax relief, while maintaining an equitable system of school finance. Legislative priorities addressed in House Bill 3 include teacher compensation, increasing the Basic Allotment and providing additional funding for early childhood education, and students needing special education or other specialized services.

A portion of the amounts A minimum of \$2.8 billion of the amounts appropriated in this rider shall be used to provide local property tax relief. Funds shall be used to enable the compression of local maintenance and operations (M&O) property tax collections, pursuant to the provisions of the legislation, while ensuring school districts do not receive less total state and local funding through the FSP. Should other legislation be enacted dedicating state tax revenue to providing local property tax relief, those amounts are appropriated in addition to the amounts appropriated in this rider for the purpose of providing local property tax relief.

The \$9.0 billion in Foundation School Fund No. 193 appropriated in this rider represents new state funding for school districts and charter schools above amounts estimated to fully fund current law.

Amend CSHB 1 (house committee printing) by adding the following rider on page II-18 in the Department of Family Protective Services bill pattern by adding the following appropriately numbered rider:

_____. **Kinship Navigator Program.** It is the intent of the Legislature that out of funds appropriated above in B.1.2. Strategy, CPS Program Support, \$2,000,000 in general funds for the 2020-2021 biennium be made available for the creation of a Kinship Navigator Program model that can meet the evidence-based requirements of the Family First Prevention Services Act. The funds appropriated in this rider may be used for the creation:

- (1) Regional 211 centers to provide basic information about potential eligibility for services, as well as provide referrals to services listed in the 211 Texas database;
- (2) Legal assistance to assist families with legal matters like custody arrangements, fair hearings for public benefit denials, and other related issues;
- (3) A navigator website to include information on basic issues relevant to kinship families; and
- (4) The establishment of a small pool of funding that would be made available to encourage local groups to create and maintain support groups for kinship caregivers and their children.

It is the intent of the Legislature that the creation of the Kinship Navigator Program model follow sufficient requirements in order to draw down matching federal funds of the Family First Prevention Services Act.

- (1) In Article VI of the bill, in the appropriations for the Texas Commission on Environmental Quality (page VI-15), reduce the appropriations for Strategy A.1.1, Air Quality Assessment and Planning, by \$750,000 out of General Revenue-Dedicated Clean Air Account No. 151 in fiscal year 2020.
- (2) In the bill pattern for the Texas Commission on Environmental Quality, amend Rider 23, Low-Income Vehicle Repair Assistance, Retrofit, and Accelerated Vehicle Retirement Program (LIRAP), (page VI-22) as follows:

Low-Income Vehicle Repair Assistance, Retrofit, and Accelerated Vehicle Retirement Program (LIRAP). Amounts appropriated above out of the Clean Air Account No. 151 in Strategy A.1.1, Air Quality Assessment and Planning, include ~~\$48,297,728 each fiscal year~~\$47,547,728 in fiscal year 2020 and \$48,297,728 in fiscal year 2021 in estimated fee revenues from vehicle inspection and maintenance fees generated pursuant to Health and Safety Code, §§382.202 and 382.302, to fund the Low-income Vehicle Repair Assistance, Retrofit, and Accelerated Vehicle Retirement Program (LIRAP). Out of these amounts, not more than \$253,893 in each fiscal year shall be used by the Texas Commission on Environmental Quality (TCEQ) for costs associated with administering the LIRAP as authorized in Health and Safety Code, §382.202, and all remaining funds shall be used as LIRAP grants to local governments.

Amounts appropriated above in Strategy A.1.1, Air Quality Assessment and Planning, also include \$4,829,673 in each fiscal year of the 2020-21 biennium out of the Clean Air Account No. 151 to be used only for purposes authorized in Chapter 382 of the Health and Safety Code for county-implemented local initiatives projects to reduce air emissions.

Amounts appropriated above for LIRAP grants and local initiative projects also include an estimated \$2,448,268 in estimated fee revenue generated from Travis County and \$1,113,280 each fiscal year in estimated fee revenue generated from Williamson County for the 2020-21 biennium. The TCEQ shall allocate, at a minimum, the estimated revenue amounts collected in each of the counties during the 2020-21 biennium to provide LIRAP grants and local initiatives projects in those counties.

In addition to the amounts appropriated above, any additional revenues from vehicle inspection and maintenance fees generated from additional counties participating in the LIRAP beginning on or after September 1, 2019, are appropriated to the TCEQ for the biennium. Such funds shall be used to provide grants to local governments and to cover administrative costs of the TCEQ in administering the LIRAP.

- (3) In the bill pattern for the Texas Commission on Environmental Quality add the following new rider (VI-24):

Contingency for HB 4166. Contingent on the enactment of House Bill 4166, or similar legislation, relating to a study of the feasibility of the expansion of navigation on the Red River by the Red River Authority of Texas, the Texas Commission on Environmental Quality is appropriated \$750,000 in fiscal year 2020 in General Revenue-Dedicated Water Resource Management Account No. 153 for a grant to the Red River Authority to conduct a study to determine the feasibility of barge traffic and other kinds of boating on the Red River.

Committee Substitute for House Bill No. 1 is amended as follows:

2019 MAR 24 AM 7: 53

- (1) On page VI-24 after the bill pattern for the Texas Commission on Environmental Quality add the following appropriately numbered rider:

. Contingency for House Bill 3998.

Contingent on enactment of House Bill 3998, or similar legislation creating a system of comprehensive surface water and groundwater models, including the integration of surface water and groundwater, by the Eighty-sixth Legislature, Regular Session, In Article VI of the bill, in the appropriations for the Texas Commission on Environmental Quality (page VI-15), reduce the appropriations for Strategy A.1.1, Air Quality Assessment and Planning, by \$20,000,000 out of General Revenue-Dedicated Clean Air Account No. 151 in fiscal year 2020.

- (2) In the bill pattern for the Texas Commission on Environmental Quality, amend Rider 23, Low-Income Vehicle Repair Assistance, Retrofit, and Accelerated Vehicle Retirement Program (LIRAP), (page VI-22) as follows:

. Low-Income Vehicle Repair Assistance, Retrofit, and Accelerated Vehicle Retirement Program (LIRAP). Amounts appropriated above out of the Clean Air Account No. 151 in Strategy A.1.1, Air Quality Assessment and Planning, include ~~\$48,297,728~~\$28,297,728 in fiscal year 2020 and ~~\$48,297,728~~ in fiscal year 2021 each fiscal year in estimated fee revenues from vehicle inspection and maintenance fees generated pursuant to Health and Safety Code, §§382.202 and 382.302, to fund the Low-income Vehicle Repair Assistance, Retrofit, and Accelerated Vehicle Retirement Program (LIRAP). Out of these amounts, not more than \$253,893 in each fiscal year shall be used by the Texas Commission on Environmental Quality (TCEQ) for costs associated with administering the LIRAP as authorized in Health and Safety Code, §382.202, and all remaining funds shall be used as LIRAP grants to local governments.

Amounts appropriated above in Strategy A.1.1, Air Quality Assessment and Planning, also include \$4,829,673 in each fiscal year of the 2020-21 biennium out of the Clean Air Account No. 151 to be used only for purposes authorized in Chapter 382 of the Health and Safety Code for county-implemented local initiatives projects to reduce air emissions.

Amounts appropriated above for LIRAP grants and local initiative projects also include an estimated \$2,448,268 in estimated fee revenue generated from Travis County and \$1,113,280 each fiscal year in estimated fee revenue generated from Williamson County for the 2020-21 biennium. The TCEQ shall allocate, at a minimum, the estimated revenue amounts collected in each of the counties during the 2020-21 biennium to provide LIRAP grants and local initiatives projects in those counties.

In addition to the amounts appropriated above, any additional revenues from vehicle inspection and maintenance fees generated from additional counties participating in the LIRAP beginning on or after September 1, 2019, are appropriated to the TCEQ for the biennium. Such funds shall be used to provide grants to local governments and to cover administrative costs of the TCEQ in administering the LIRAP.

- (3) On page III-76 after the bill pattern for the University of Texas at Austin add the following appropriately numbered rider:

. Contingency for House Bill 3998.

Contingent on enactment of House Bill 3998, or similar legislation creating a system of comprehensive surface water and groundwater models, including the integration of surface water and groundwater, by the Eighty-sixth Legislature, Regular Session, In Article VI of the bill, in the appropriations for the Texas Commission on Environmental Quality (page VI-15), reduce the appropriations for Strategy A.1.1, Air Quality Assessment and Planning, by \$20,000,000 out of General Revenue-Dedicated Clean Air Account No. 151 in fiscal year 2020.

(5) On page IX-94, add the following rider to Section 18 of Article IX:

Contingency for House Joint Resolution 10. Contingent on enactment of House Joint Resolution 10, or similar legislation proposing a constitutional amendment providing for the creation of the Texas legacy fund and the Texas legacy distribution fund, by the Eighty-sixth Legislature, Regular Session, and contingent on non-enactment of House Bill 3998, or similar legislation creating a system of comprehensive surface water and groundwater models, including the integration of surface water and groundwater, by the Eighty-sixth Legislature, Regular Session, the Comptroller of Public Accounts is appropriated \$20,000,000 in fiscal year 2020 in General Revenue for deposit to the Texas Legacy Fund to implement the provisions of the legislation.
